**RE:** Training Provider Applicants

The following have completed the necessary applications and provided the required information for certification as a WIA Training Provider for Local Workforce Invest Area III. I recommend approval of both programs. Because there is less than less than three months remaining in Program Year 2005 I further recommend the approval be effective April 1, 2006 through June 30, 2007, the end of Program Year 2006.
